Saturday: 8:00am

Saturdays games will start at 8:00 am sharp it will be an 8 team double elimination tournament. The championship game will start at 5:00pm

Important rule in relation to the Championship game

One change that has been made is that for the Championship game, the championship game will be played to 15 and if a second game is needed because a team had its first loss, the score will stay what it is and the game will just continue until 21 pts HARD CAP. This rule will be explained in depth at the captains meeting if I did not explain it well here.

Notes:

Get your waivers signed!

The USG is a family oriented event and no alcohol will be tolerated on the field, the consequence will be the immediate forfeit of the rest of your team's games.
