Coaches and Captains

Captains Meeting at 8:30 am on the CHS soccer fields.

HAVE YOUR WAIVERS READY TO GO AT CHECK-IN

Friday's games will be played to 11 points HARD CAP or to 1 hour time limit. Games will start at 9:00 am right after the captains meeting.

Because we only had 2 teams sign up for the Novice bracket I have decided to do the following; the novice bracket will join the advanced bracket on Friday and get plenty of experience playing against more seasoned teams. You will not play the other novice team on Friday.

On Saturday I have decided to split you off however; and you will be playing the other novice team in a best 2 of 3 series on a field all your own. The winner of the best 2-3 series will be champion of the Novice bracket and medals will be given for the gold and silver teams. You are guaranteed a medal!

Saturdays games will start at 11:00 am and will be played to 15 or to a time cap of 1 and 1/2 hours. If the series goes to 3 games you can expect to play until 3:30pm

Notes:

Remember to have your waivers ready to go at check-in

The USG is a family oriented event and no alcohol will be tolerated on the field, the consequence will be immediate forfeit of the rest of your team's games.
